SON TUNG NGUYEN

Hi SON NGUYEN,

Thank you for your submission for a Baseline Resume Review.

We are pleased to advise your resume **meets the Baseline Resume Standard**.

A Baseline resume is only a starting point. Your resume has been reviewed for structure, format and presentation only, not content. Before sending your resume to an employer, your resume content will need to be tailored to ensure it is competitive.

To assist you in tailoring your resume, your next step is to attend a workshop that will focus on resume content.

- [Extend: Tailor Your Resume](#)
 - Extend is most suitable when you have no or limited, local or professional work experience.
- [Advance: Develop and Tailor a Strategic Resume](#)
 - Advance assumes you have prior full-time professional experience.
